

## **Finding The Right Employee For The Right Employer**

**Tailored Talent Solutions for Your  
Business Success**

### **ABOUT US**

AIMS was established in 2015 and has been providing valuable training to over 3000 professionals in the built environment industry and facilitated the achievement of over 350 Chartered Quantity Surveyors (QS)/Project Management (PM) certifications. AIMS is broadening horizons with AIMS HR EASE FZCO in Dubai (UAE) to cater HR Consultancy services especially to the construction industry (Built Environment).

AIMS HR Consultancy services offer seamless access to top talent, by bringing a unique blend of industry knowledge, strategic thinking, and a personalized approach to every recruitment process. We understand that finding the right talent is crucial to the success of your organization. By partnering with AIMS HR Consultancy, our clients can reap the advantages of accessing top talent through our easeful recruitment process. We believe in forging strong, long-lasting relationships with both our clients and candidates, built on transparency, trust, and a commitment to excellence. In every project, we focus on our client's recruitment objectives, scenarios, and position-specific requirements.

#### **MISSION**

To catalyse organisational success and global talent through strategic insight, industry expertise, personalised approach, and enduring partnership.

#### **VISION**

To ease the recruitment landscape by connecting talent, organisational growth, and global industry. We envision to become the most trusted HR consultancy, known for innovation, client commitment and candidate satisfaction.
